

In-home sales person needed for Heating, Cooling, Water Heating, Insulation and Energy Efficiency

Alber Service Company is South Jerseys Home Energy Performance Experts serving Camden, Burlington and Gloucester Counties for over 50 years. We are rapidly expanding, and searching for the right sales professional with a combination of general HVAC technical background and great sales skills.

Alber Service Company specializes in heating, cooling, water heating and insulation; and is a leader in performing Home Energy Audits through New Jersey's Clean Energy Program.

Applicant will conduct in-home energy audits, generate audit reports, and present proposals with recommendations developed with our custom software

Commission can yield \$80,000 to \$120,000 annual potential

- Company supplied leads
- Paid mileage and expenses.
- Laptop and Sales materials provided
- Fully Paid Training and Certifications
- High Growth Opportunity with a Rapidly Expanding Company
