

BPI- Certified Energy Efficiency Technician

A growing energy conservation services company is hiring a BPI-certified professional to perform Quick Home Energy Check-Ups and Home Performance audits around the Baltimore metro region.

Company: Zerodraft Maryland, LLC

Position: BPI certified energy technician

Posting: For Immediate Release (8/22/18) until position is filled -- this posting will be removed shortly after the position is filled

Generous compensation.

Location: Based in Towson, MD with audits across central Maryland

Travel: must have driver's license and reliable daily transportation to office; company vehicle provided for work

Key Job Responsibilities:

- Conduct residential Quick Home Energy Check-Ups and Home Performance audits
- Educate customers about energy efficiency
- Prepare summary audit reports which clearly and effectively communicate building conditions and energy-saving opportunities
- Maintain strong ongoing communications with both office and clients on a daily basis

Required Professional Skills:

- MUST have an active BPI Building Analyst / Building Envelope certification, preferably with a minimum of two years' experience conducting home energy audits (in select cases, we will fund BPI certification for candidates who otherwise have the right skills and industry background)
- Strong verbal, interpersonal and written communication skills
- Strong understanding of building science and home performance workflows
- Excellent problem solving skills with ability to analyze situations, identify existing or potential problems and recommend solutions
- Strong business ethics, including the protection of proprietary and confidential information
- Ability to work with all levels of internal staff, as well as outside clients and vendors
- Proficiency in MS Word 2010 and Google Docs Suite

Desired Skills:

- Background in construction industry/contracting is a strong plus
- A Sales Background is a strong plus
- Lead-paint certification, OSHA 10-hour Safety, and knowledge of building codes are a plus
- active CPR/First Aid certification is a plus
- ability to speak Spanish is a plus

Benefits:

As a growing company, we are committed to growing its scope of employee benefits with the company in order to retain and attract some of the best individuals in the industry.

Currently we offer the following benefits to full-time employees:

- Health Coverage
- Paid holidays
- Paid personal leave
- Paid sick leave
- Generous support for professional development / training courses related to field of employment
- Matching retirement plan
- Company-supplied tools, equipment, and uniforms.
- Cell-phone reimbursement (annual cash payment)

More Details:

We're a growing company of about 50, dedicated to excellence in our industry and proud that we are making a difference by improving the environment and reducing utility bills for thousands of Marylanders.

How to Apply:

- If you meet the qualifications listed above and think you might be a good fit for this position, please send the following materials by email (no calls, please!) to katarina.pfund@zerodraftmd.com:
- a brief paragraph in your email body about what attracts you to this position and how you will benefit our firm
- your professional resume (in-line or attached)

We will normally not consider any application which does not include all of the elements listed above, and we normally acknowledge and consider each application which does.
