Education:

- High School or Equivalent Degree.

Duties and Responsibilities:

We are seeking a Residential Energy Auditor who will be responsible for visiting customers' homes to evaluate how energy efficient their home is.

The individual in this role will evaluate homes for energy efficiency by completing energy conservation audits, checking the home for insulation, heat loss, air infiltration and inefficient and inoperable heating equipment.

During the audit, we provide homeowners with no-cost energy saving products and information about heating system upgrades.

Energy Auditors make recommendations for insulation, air sealing, and heating system upgrades and help homeowners act on these offerings to help reduce their energy consumption, save money, and be more comfortable in their homes.

If you have any experience in basic residential construction, building science, energy auditing, HVAC, or any related technical experience and are looking to work for a great organization that makes a difference by helping low income customers save money on their energy bills and reduce their fuel consumption, then this is the job for you! Come join our organization and help make homes healthier and safer and help reduce our carbon footprint!

Classroom and field training will be provided to candidates that have the willingness to learn as well as make a difference.

Commitment to Diversity Equity and Inclusion

Community Teamwork is committed to an equitable, non-discriminatory, and anti-racist approach in all components of our organizational structure and operations, including the job application process. We recognize that people of underprivileged backgrounds and underrepresented identities often are not afforded equitable access to resources, opportunities, and professional development. We offer professional development, training, and tuition reimbursement opportunities to ensure that you and CTI are set up for success. We encourage you to apply if you see an opening that is exciting to you and include examples of your work that you feel demonstrate your qualifications. Please feel free to speak to all experiences, skills, and educational certifications that you feel are relevant. We look forward to reviewing your application.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or protected veteran status. Community Teamwork is a drug free work environment.

This is an exciting opportunity to become an integral member of an innovative, outcome focused team in an organization committed to excellence.
