EDUCATION

Energy Auditor (Advanced) & Building Analyst Certification (Core), Graduation 2016

Building Performance Institute, Inc., Howard Beach/Malta, New York

BPI Certified Professional/Building Analyst ID #5056289, Expiration 4/19/2019

- Verified knowledge, skills, and abilities needed to conduct comprehensive building performance audits, including assessing whole-building ventilation, measuring airflow, combustion safety and testing/data collection.
- Successfully completed the pilot program that was in conjunction with the U.S. Department of Energy (DOE) & the National Renewable Energy Laboratory (NREL) for the Energy Auditor (EA) and Quality Control Inspector (QCI) certifications.

WORK EXPERIENCE

Building Analyst & Energy Auditor, Solar Energy Haus, Huntington Station, NY

March 2015 – present day

- Performed comprehensive, whole-home assessments & identified problems at their root causes, which I independently prescribed & prioritized solutions based on building science to the consumer themselves.
- Assisted in shaping the new exams & providing immediate feedback on any pilot questions.
- Evaluated the energy efficiency, health, and safety of a home.
- Gained in-depth knowledge of how to use diagnostic equipment & modeling software to identify areas for energy savings, produce an audit report, & develop a prioritized scope of work for my customers.

Technician, Kane Exterminating, King's Park, NY

March 2014 – March 2015

- Residential pest control expert that tailored programs for different types of homes, as single family homes, apartments, condos, & multi-family homes.
- Professionally offered services to offices, retail stores and more as a commercial pest control expert.
- Developed excellent rapport with Federal, State, & County Agencies that regulate the pesticide trade (e.g. Town of Hempstead).
- Actively participated in the information of the regulations pertaining to the newest, safest, most effective, & reasonable treatments, whether for a one time service or year round protection, I tailored pest control plans to customers' specific needs.

Construction Manager, Underwood Construction, King's Park, NY

January 2010 – March 2014

- Independently managed a crew of 5 construction workers in order to complete projects in homes, such as remodeling bathrooms and kitchens, in a timely and efficient manner.
- Educated & trained new laborers to maintain and reach the company standards & work objectives.

Sales Representative, King's Park Beer and Soda, King's Park, NY

January 1999 – January 2010

- Diligently worked to maintain store inventory & supplies independently & as a team.
- Enthusiastically engaged in customer service in terms of cashier tasks, inventory tasks, & content descriptions.

TECHNICAL AND COMPUTER SKILLS

Master in **Macintosh and PC operating systems, & Microsoft Office programs**
