

# General Labor Insulation Installer (Baldwin)

Looking to hire someone to insulate homes. We do blown insulation, spray foam, and other weatherization services.

You will be required to work off 24' ladders, be able to lift 50 pounds, work in tight spaces, work in dusty conditions,

not afraid to get dirty. If you don't know what you're doing? we will train, you.

Clean license, with reliable transportation. All employees are required to be vaccinated.

We work 5 days a week some Saturdays. Starting time is 7:00 a.m.

This is a family business, as an employee you will become family!!!!

Salary based upon person, experience. This is on the books no cash

Full time employment
