HVAC Installer

- Full Time
- Heating and Cooling
- Entry Level

[SHARE](#)

HomeWorks Energy is looking for a Heating and Cooling Installer who wants stability, variety, and an opportunity to learn in the field. In this position, you will be working as a part of an installation team focusing on Furnaces, Boilers, and A/C solutions. If you are looking for a position that will give you engaging work with excellent growth opportunities, please apply.

Responsibilities

- Installation of high-efficiency heating and cooling equipment: Boilers, Furnaces, Central Air, Ductless Mini-Splits, and Hot Water
- Working with an installation team and assisting as needed
- Fabricate, assemble or install ductwork or chassis parts
- Assemble, position, and mount heating or cooling equipment following diagrams
- Join pipes or tubing to equipment for fuel, water or refrigerant source to form complete circuit or heating loops
- Cut or drill holes in floor/walls for installation of equipment. Measure, cut, thread, or bend pipe or tubing, using pipe fitter's tools
- Install and adjust thermostats
- Adjust system controls, install auxiliary components to heating and cooling equipment, as well as connect all electrical components
- Test electrical safety circuits or components for continuity, using electrical test equipment
- Record as well as report all faults, deficiencies, and other unusual occurrences, as well as the time and materials expended to complete work orders
- Test pipe or tubing joints or connections for leaks, using pressure gauge or soap and water solution
- Ability to read wiring diagrams, or specifications, as well as manufacturers recommendations to ascertain the configuration of heating or cooling equipment components

- Reviewing specifications for new installation jobs with heating and cooling equipment
- Obtain/maintain required certifications
- On the job and Classroom training availability

Requirements

- Formal training and certification from an HVAC or Plumbing Training program
- Driver's license & reliable transportation
- Refrigerant/EPA license

Compensation and Benefits

- Competitive pay rates and benefits
- Health, dental, and vision insurance
- Flexible spending account
- 401k company match
- Generous paid time off and paid holidays
- Many more perks!

About HomeWorks Energy

Over the past four years, HomeWorks Energy has grown to become the leading energy efficiency company in Massachusetts, the #1 ranked state in energy efficiency. We have also been ranked in the top 5 Massachusetts companies, according to Inc. Magazine (Inc. 5000 2017)! Join a growing organization that is passionate about working together to save energy and reduce costs, one community at a time.

We are a metrics driven, fast paced start-up company working to make every home in Massachusetts more energy efficient. We offer a continuous improvement work environment with the tenacious goal of reducing every homeowner's energy consumption by at least 30%.

We're proud of the impact we made in 2019:

- 600,000 metric tons of CO2 saved
- 125,000 cars off the road for one year
- \$165 million of customer lifetime savings

We are seeking qualified candidates who will represent our values in all interactions:

- Always Gettin' Bettah
- Positive HWEnergy
- Make a Difference
- Inspire Customer Confidence
- In This Together

As an Equal Opportunity Employer, HomeWorks Energy celebrates diversity and is committed to fostering an inclusive environment for all of our employees. We do not discriminate against race, color, religion, national origin, sex, age, gender identity or expression, sexual orientation, physical or mental disability, veteran status or any other applicable characteristics. All employment decisions are based on qualifications, merit, performance, and business needs.
