BPI and/or HERS INSPECTOR

If you have knowledge of HEATING and COOLING SYSTEMS and you are tired to be in the crawlspaces and attics, this is a great opportunity to use your experience and become a BPI and/or HERS Inspector.

Our company is a leading energy-efficient consulting company specializing in residential homes. We provide Home Energy Assessments, Energy Tests, and Heating and Cooling system tests. We are in San Jose, serving Santa Clara, San Mateo, and Alameda Counties.

JOB DESCRIPTION:

An Inspector performs Field Verification and Diagnostic Test(s) for HVAC systems. The position is responsible for performing Duct Testing, Blower Door Testing, Airflow Testing, and more. We are looking for a qualified and motivated individual to join our team. You are customer service-oriented, seek to advance your career in the green industry, and enjoy working independently out on the field.

WE OFFER:

- Competitive wage (Hourly: \$18 up to \$35+ based on experience and certifications)
- 401 K Retirement Plan
- Company Van + Mileage Paid + All equipment
- On the job training & certifications PAID
- Company advancement and career opportunities
- Bonus

QUALIFICATIONS:

- HVAC experience (REQUIRED)
- Clean DMV record and must pass the background check (REQUIRED)
- B.P.I. Certification (PLUS)
- H.E.R.S. Certification (PLUS)
