If newly BPI certified, come learn on our team then move up the ranks quickly!! Full time, looking for a responsible, reliable, courteous individual with a clean background and valid driver's license for immediate hire! Job duties are acting as a general helper for an energy audit/weatherization company, that services all of CT. This is a full time/year round position. We keep on growing! Any type of handyman, insulation, carpentry experience may be helpful, but we will train. This is a real career opportunity for the right individuals and plenty of room for advancement. Previous experience in the Home Energy Solutions Program is a plus! Our office is in Newtown, but job does not require coming to office daily. Ride with lead technician in company van each day.

Please email resume-serious inquiries only.

Job Type: Full-time
