

WEATHERIZATION TECHNICIAN

FLSA: Non Exempt

Hours: 40 hours

Work Week: Monday through Friday

Reports To: Home Performance Division Manager

JOB EXPECTATIONS:

This position is part of the Home Energy Solutions team maximizing energy efficiencies for BantamWesson customers within residences and commercial buildings. Due to the nature of this position, individuals will be possibly working in small enclosures such as in attics or basements. Additionally this position demands a level of customer service when communicating with customers. Due to the public nature of contracts, this position requires initial drug screening. This job does pose hazards demanding diligence to safe practices.

ESSENTIAL FUNCTIONS:

- Assist with conducting detailed energy audit and assessments in addition to educating customers about energy efficiency.
- Assist in maintaining the van and its contents in satisfactory condition. Replenish inventory as needed
- Install weatherization program measures such as: door sweeps, window and door weather-stripping, caulking, pipe insulation, etc.
- Contribute to meeting the energy savings goals for the team
- Observe safe standards in compliance with OSHA
- Other duties as required.

WORKING CONDITIONS

- Work involves almost constant exposure to unusual elements, such as extreme temperatures, toxic chemicals, biohazardous materials, dirt, dust, fumes, smoke, and/or loud noises.
- Considerable physical activity. Requires heavy physical work; heavy lifting, pushing, or pulling required of objects up to 50 pounds. Work environment involves exposure to potentially dangerous materials and situations that require following extensive safety precautions and may include the use of protective equipment.

- Must be able to work comfortably in tight spaces such as attics, basements, or crawl spaces

QUALIFICATIONS AND EDUCATION REQUIREMENTS

- Must have high school diploma or equivalent
- Basic carpentry skills
- Have a driver license with clean driving history
- Must pass criminal back ground check
- Also need to pass utility company background check
- Able pass drug screening
- BPI Building Analyst and Envelope certifications preferred
- 1+ years' experience in energy field preferred

I have read and reviewed this job description and understand the essential functions and expectations of this position. If necessary, I have identified any accommodations necessary in order to perform these functions to requirements.
