Position: full-time or part-time

Compensation: The technician gets paid per appointment. On average 4-6 appointments a day are common with a pay range of \$200 - \$350.

Travel: must have reliable personal daily transportation to get to the office and scheduled appointments punctually.

Qualifications and Requirements:

- Authorized to work in the US
- Must be able to pass a background check and drug screening
- Full BPI Building Analyst certification is strongly preferred
- Experience in the energy efficiency field is desired
- Must be reliable, punctual, responsible, and work well in a team setting
- English is required; Spanish as a second language is a plus

Benefits (if employed full-time):

- Subsidized Health Care plan
- Matching IRA retirement plan
- Paid holidays
- Paid vacation leave
- Paid sick leave
- Company-supplied tools, equipment, and uniforms.

More Details:

We're a growing company of about 40 people, dedicated to excellence in our industry and proud that we are making a difference by improving the environment and reducing utility bills for thousands of Marylanders. We take pride in our work and love what we do, and are looking for people with an exceptional work ethic to join our team.
