

Lead Energy Efficiency Technician

For immediate consideration, please send your resume to careers@posigen.com

\$3,000 sign-on bonus. \$25-30 per hour.

PosiGen recently acquired New England Conservation Services (NECS).

At NECS/PosiGen, we offer job security with a strong and growing company, as **100%** of our solar customers are offered a free energy audit and energy efficiency upgrade. Proposed January 1, 2023 changes to the solar incentive program will significantly reduce HES and HES-IE jobs through other solar companies going forward, but PosiGen will continue to deliver all available HES options **and non-HES efficiency upgrades** to 100% of our Connecticut customers.

Essential Job Functions

- Guides technicians in assisting with providing solutions.
- Conducts physical site assessments using a variety of equipment and tools including but not limited to pressure diagnostic equipment, measuring devices, hand tools, various ladder types and sizes, blower door, combustion safety analysis equipment and protective equipment
- Prepare documentation of energy efficiency upgrades for upload to shared database and communicate results to homeowners, supervisors, and EE contractors
- Analyze failures and take corrective action on an as needed basis based on findings and severity of quality infringements. Provide guidance to improve technician performance
- Accomplish energy efficiency results by providing services according to best Home Energy Solutions (HES, HESIE) practices
- Maintain quality service by enforcing quality and customer service standards; analyze and resolve quality and customer service problems; identify trends; recommend system improvements

Education/Experience

- **BPI Certification required (Building Analyst & Envelope)**
- DOE Energy Score credential required
- Proficiency with Google Workspace preferred, as well as a general disposition towards learning technology including the use of online

platforms such as but not limited to DOE Energy Score, Dropbox, Salesforce (CRM) on various devices (laptop, tablet, and smart phone)

- Availability to receive customer calls on some evenings and Saturdays.
- Provide and maintain a current driver's license and a clean driving record to safely operate a company vehicle
- Must be able to successfully pass a pre-employment criminal, driving and drug screen

PosiGen is an Equal Opportunity / Affirmative Action employer committed to diversity in the workplace. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, national origin, disability, protected veteran status or any other factor protected by applicable federal, state or local laws. Individuals who require reasonable accommodations under the Americans with Disabilities Act in order to participate in the search process should notify the Office of Human Resources.
