

The recruitment will remain open until the position is filled. Applications will be reviewed on a weekly basis.

The Weatherization Program is at the forefront of climate justice in Multnomah County. We work to create more efficient, lower-carbon, and resilient homes for households who are most in need in our community. We have been delivering our programs for over 30 years, but with Federal investments and a rapidly changing energy landscape our services are more in demand and more needed than ever before. By joining this dynamic team, you will have the opportunity to work at the intersection of anti-poverty work and climate action during an exciting time of innovation for the industry. You will have the opportunity to interact with the public, collaborate with our partners in other departments like the Office of Sustainability, and help us innovate better service delivery models.

Multnomah County Department of County Human Services is looking for a Weatherization Inspector to join the Youth and Family Services Division. These are two (2) full-time positions, serving the entire County. The position is located at 209 SW 4th Ave, Portland OR 97204. These positions are scheduled as in-person, 40 hours/week, Monday – Friday, 8:00 AM – 5:00 PM with 1 hour lunch. After completion of training and certifications, will be eligible for ad hoc telework.

The eligible list created from this recruitment may be used to fill future regular, limited duration, temporary, on-call, full or part-time assignments within the department.

**Who We Are:** Part of the mission of the Youth and Family Services Division is to help people get the services they need to fight poverty and increase academic success. Some of the services we provide are energy efficiency and weatherization, energy assistance, homelessness and housing, and anti-poverty and prosperity. A variety of services and supports addressing a range of prevention, intervention, and treatment are made available to the more than 55, 000 households in the community that meet federal poverty guidelines.

Primary responsibilities for the Weatherization Inspector include but not limited to:

Perform single and multi-family audits, major measure inspections, and specialty measures as deemed necessary. This includes but is not limited to pressure diagnostics, duct blaster and blower door testing, combustion safety and technical assistance and program advice to contractors and energy program staff.

Provide client energy education and identify health and safety issues.

Review projects before major measure work is issued, discuss findings with the Weatherization Lead Inspector as needed, and recommend necessary changes for line items on work orders before they are issued.

Conduct peer monitoring of other weatherization programs.

Attend unit meetings, all staff meetings, and attend annual energy conferences.

Review and approve project files, work order changes, and approve invoices for payment.

Use energy modeling software.

Perform in-progress inspections.

Diversity and Inclusion: At Multnomah County, equity is at the core of what we do. We just do not accept difference; we value it and support it to create a culture of dignity and respect for our employees. We are proud to be an Equal Opportunity Employer.

TO QUALIFY:

We will consider any combination of relevant work experience, volunteering, education, and transferable skills as qualifying unless an item or section is labeled required. Please be clear and specific about how your background is relevant. For details about how we typically screen applications, review our overview of the selection process page.

Minimum Qualifications/Transferable Skills\*:

Ability to promote a culture of respect, inclusiveness, and appreciation of diverse perspectives, backgrounds, and values.

Equivalent to an Associate's degree in construction, energy analysis, weatherization, HVAC, construction or a related field.

Two years of energy analysis and weatherization experience.

Possession of, or ability to obtain, a valid driver's license by time of hire.

Ability to possess certifications or obtain within a year of hire (see below preferred certifications)

Must pass a criminal background check.
