EXPERIENCE

Middle School Civics & Economics Teacher (Virginia Beach Middle School) 2017-2019

Alternative Suspension Teacher (Pulaski County High School) 2019-2021

Building Science Trainer/ Project Manager (Community Housing Partners) 2021-Present

In this role, I work to provide classroom and field training for industry professionals within the Weatherization Assistance Program. When I am not conducting instruction, I am busy traveling the country conducting quality assurance inspections for various states' weatherization programs: for example, Georgia, Oklahoma, and South Dakota.
